

# International Confederation of Fullbore Rifle Associations

## **Calendar of International Fullbore Rifle Events**

(National and other Championships and Touring teams)

# 2009-2015

### Notes:

1. All Matches are Target Rifle unless stated otherwise. (e.g. F Class or MR = Match rifle)
2. **Major events are underlined and in bold.**
3. **National Championships hosting major International matches/teams are shown in red**
4. **Other National Championships are shown in brown**
5. **International touring teams are shown in green**
6. **Other Championships are shown in purple.**
7. Australian State Queen's Prize meetings are held annually (except the Northern Territory event which is only held every two years) and at the same time each year +/- (as most are locked into designated Australian Commonwealth Public Holidays) most show exact dates only for 2004 and 2005.
8. Some countries are not able to book their ranges (as many are military owned) for more than a year or two in advance and therefore these events are shown in the month they are likely to take place rather than precise dates, most are generally held at approximately the same time each year.
